Well known and well-liked, Coolidge was honored by the community in 1956 when a new modern junior high school was named after him. He retired from school work June 3, 1945.

He is survived by his wife, Helen, a son, George Coolidge, Granite City, a brother, Dr. Edward Coolidge, Evanston, and a sister, Miss Nellie Coolidge, St. Paul, Minn.

Under his administration Central and Community high schools were built and vocational training and night schools were begun. Thousands of Granite Cityans knew him personally either as principal or teacher.

He was a member of VFW Post 1200, a past state commander of the Military Order of Veterans, a charter member of the Granite City Rotary Club, a member of Masonic Lodge 877, of Alton Temple, East St. Louis, and of the Tri-City Shrine Club.

Gunman With Parka Gets \$1131 In Stickup

\$781 Cash, Rings Worth \$350 Stolen At Tavern Along Rte. 111 Tuesday

An armed bandit wearing a fur-trimmed parka jacket picked up cash and jewelry totaling \$1131 in a stickup, staged about 1 a.m. Tuesday at the Sportsman Club (formerly Big Oaks) tavern along Route 111 outside Granite City.

The bandit, who brandished a pistol, herded two patrons and the proprietor, Wilson Deloche, into a washroom and then went to a backroom.

He called to her, saying, "give me the money," and Mrs. Deloche, still half-asleep, and thinking it was her husband, said, "It's in the closet."

Taking advantage of her sleep, the robber grabbed a metal chest containing \$800 from the closet and walked out. Deloche and his wife, Mrs. John Richee, were still in the washroom, and Mrs. Deloche was left sitting on the bed.

Grabs Purse With Rings On his way, the bandit held himself \$7850 from the tavern cash register and grabbed Mrs. Richee's purse, which was lying on the bed. It contained a wallet with \$53 and a set of rings worth \$350.

No one was molested by the bandit, and his method of escape is not known. Deloche and Richee said they did not hear a car drive away.

However, county authorities believe the bandit had an accomplice waiting in a auto on the parking lot of the tavern which is located along a lonely stretch of Route 111.

A vague description of the gunman is given in today's edition.

Over 750 Families Aided

Christmas food baskets, along with clothing and toys, went to over 750 Quad-City families, including about 400 who were supplied by the successful "Tree of Lights" campaign conducted by the Salvation Army.

E. A. Karandeff, local branch chairman of the tree lighting campaign, said this morning that all 180 lights now are bright on the "Tree of Lights" in Memorial Park. The exact amount the \$4500 goal was topped has not yet been determined, as Salvation Army Capt. Mildred Walker today had not set out the lights.

Both Karandeff and Capt. Walker expressed their gratitude for the successful campaign and raised the cooperation of churches, clubs, lodges, unions, and organizations and individuals that took names for baskets.

Families began picking up the "Tree of Lights" baskets over the weekend and the pick-ups continued through Tuesday at the Salvation Army's recreation center at 1824 State street, where they had been packed by the Salvation Army's recreation center.

"Bays Clothing For Children," Capt. Walker said, "was held on Tuesday with 113 youngsters who she took to local stores to purchase clothing. We furnished clothing to about 150 youngsters," she said, "and included toys for youngsters."

GC Council Oks \$1,715,000 Bond Issue Ordinance

Kick Restores Bally Traffic Light

The bustle and bustle of the day before Christmas didn't daunt a Granite City traffic officer who was confronted with a "stuck traffic signal" at the busy Madison avenue and Nameoki road intersection about 10 p.m. Monday.

The officer, Kelly Hodges, simply went to the control box, gave it a well-placed kick and the signal lights began functioning properly.

Madison Council To Form Traffic Safety Committee

The Madison city council will establish a formal traffic safety coordinating committee, it was decided at a meeting Monday night.

Mayor Stephen Madras instructed the city's legal department to present a resolution naming city and school district officials, including the chief of police, to the committee.

"It will pretty well complete our traffic safety organization," the mayor said.

The mayor noted that various officials have cooperated in traffic safety functions in the past and "we've done a fairly good job. We're very proud of that record. Some other cities are not so fortunate."

High Ranking He said the city of Madison was favorably at the meeting of the Southwestern Illinois Conference of Mayors where traffic safety plans were discussed.

The council approved requests for funds from the state highway department to complete three major road projects. In addition, \$100,000 to finish the widening of Madison avenue from a two-lane to a four-lane road at Sixth street and Madison avenue and \$28 for completion of West Madison street.

In other action, the council approved minutes and bills during a brief meeting.

Auto Spins On Madison Ave., Hits Parked Car

An auto being driven north on Madison avenue about 11:10 a.m. Monday spun out of control on the wet pavement in the 1600 block of Madison avenue and crashed into a parked car.

The driver, Thomas J. Skushak, 24, of 2701 Lincoln avenue, escaped injury. Police said the parked auto, facing south, had been operated by Dean Green, 52, of 4310 Kirkpatrick.

There was damage to the front and right side of Skushak's auto to the right and left sides of the parked car.

Fire Alarm Early Today

Firemen from the main station answered a fire alarm about 1:25 a.m. today to the four-room frame home of Robert Chellett, where the blower motor on the furnace had become overhauled. The house was filled with smoke, and the damage was set at \$50.

G. H. Stenberg and Earl Thompson, Opposing it were Nomi, Mrs. Gabrielle Betine and Edmund Bartosik. Absent because of shift work were Aldermen Paul Rutledge and J. D. Bergfeld.

Nomi was the only alderman to change his vote. He said he favored suspension of rules in order to comply with the state order.

Before the voting, Alderman Tarschak said each alderman should have received a copy of the ordinance in advance for study. Mrs. Betine called for a delay in passage due to the length of the ordinance. Skushak said he favored the project and saw no reason to issue general obligation bonds to build the treatment plant alone.

Advice From Attorney

Bond Atty. Beatty advised the council the revenue bond ordinance is being approved by the bond counseling firm of Charles & Trauerbach, St. Louis, and that the city is to sell the bonds for bid for the lowest interest rate not to exceed 4 1/2%.

The ordinance was prepared in conjunction with the fiscal agent R. H. Murray of the Chicago bond firm of Nongard, Shovers & Murray.

Mocleron reported to the council that Col. John M. Ansley had agreed to permit the city treatment plant to be located in the vicinity of the city pumping station on Depot ground, but that final approval would be needed from the district engineer at Chicago. That approval still is pending.

He explained that the depot had wanted the plant near its rail yards in the vicinity of Chicago street, but that objections were raised since the city

Elks' Lodge Crippled Children Program
Aids Six Quad-City Youngsters This Year

The Elks' Crippled Children program, headed by druggist Walter Reese, announced this week that after eight months treatment provided by the program, a nine-year-old Granite City boy will have normal eyesight.

The boy, a student at Logan school, was referred to the Elks' Crippled Children program by the school nurse, Mrs. Ruth Crawford, RN, and has a few more treatments to go.

Reese, who has headed the committee for 20 years, said the case was one of six handled this year. In the 20 years he estimated thousands of dollars, all donated by members of Elks Lodge 1063, have been spent to aid 946 youngsters.

would have to build additional sewer lines to go to the plant and because of the nearness of homes about 1600 feet away.

Depot To Use Plant

The depot is planning to use the treatment facilities in exchange for permitting the city to use about 12 acres of its ground. With the location of the plant near the pump station, the depot would not have to build a separate sewer system and its own plant. It was noted.

The ordinance requires the city to hire "a competent, experienced and qualified person to supervise and manage" the treatment plant, a person who holds a Class I certificate of competency for sewage treatment plant operations. Also specified is for the city to hire "such further employees as may be required for efficient and economical operation of the plant... but no unnecessary employees shall be employed."

A consulting engineer also is to be employed, and the city is to prepare each month a report showing revenues, disbursements and other transactions in connection with the treatment plant. Each year, with the aid of the engineer, the council is to prepare a budget for the plant, listing estimated receipts and expenditures.

The engineer is to aid the city in the economical operation of the plant and is to submit annually a report on the condition of the plant and any improvements or additions which might be needed.

While bonds are outstanding, the plant is to be insured by the city.

The bonds, \$1000 in denomination, are to mature at the rate of \$25,000 a year from Jan. 1, 1967, to Jan. 1, 1970; \$50,000 from 1971 to 1974; \$35,000 from 1975 to 1978; \$40,000 in 1979 and 1980; \$45,000 from 1981 to 1983; \$50,000 from 1984 to 1988; \$60,000 in 1989 and 1990; \$65,000 in 1991 and 1992; \$70,000 in 1993-94; \$75,000 in 1995-96; \$80,000 in 1997; \$85,000 in 1998 and 1999 and \$90,000 on Jan. 1, 2000.

Five separate funds are to be set up by the city from the sewage plant revenue fees.

The first is the "Disposal" plant operation and maintenance account" which is to be kept at an amount sufficient to pay the estimated cost of operating and maintaining the disposal plant in

said. "The members are not solicited; we don't send out letters requesting money, and the lodge members have been faithful in giving the committee their help."

He added that all cases are handled on referrals.

"We stretch the dollar as far as we can, and sometimes I'd say we get \$10 worth of service for \$1 cash. Everybody copes and the program has been functioning smoothly for over a quarter century," he added.

Committee's Rules

The rules of the committee

"A crippled child or person must be vouched for and recommended by their physician."

"The patient's family must be financially unable to afford the treatment found necessary."

"The cost must not bankrupt the fund, but the money must be disbursed in a way to do the most good."

"At no time is the patient permitted to reimburse our committee to give and expect nothing in return."

The basis for the program, Reese said, is "an Elks' Charity to give and expect nothing in return." Reese himself maintains the records of the committee and there is no cost for the fund management or for investigating the cases.

The program has averaged 12 to 18 major surgery cases a year with the cost of individual cases often running as high as \$1200.

Carpentier Okays
At-Large Filing
For House Only

Secretary of State Charles F.

Carpentier announced this week that his office will accept petitions for nomination to the Illinois House of Representatives regardless of geographical designation or the number of signatures.

If the petitions are otherwise in order, his office will accept petitions for nomination to the Senate only on the basis of the permanent Senate districts.

While filing uncertainty as to the basis upon which members of the House will be nominated and elected in 1964, Carpentier said, "The legal basis upon which this office must accept nominating petitions for the Illinois State Senate is clear."

Carpentier said he is asking the Illinois Supreme Court to appoint Don H. Reuben of the Chicago law firm of Kirkland, Ellis, Holston, Chaffetz and Masters to represent his office in any litigation involving reapportionment of the Illinois House.

He added that State Treasurer William J. Scott, the other Republican member of the State Electoral Board, also is asking the court to name Reuben as his counsel.

"The obvious political bias of Attorney General William G. Clark in the matter of reapportionment makes it imperative that we be represented by counsel who will adhere to the requirements of the constitution," Carpentier commented.

"Mr. Clark's recent state letters concerning his position make it readily apparent that his primary interest is protection of the Democratic party and its unconstitutional demands, which are responsible for the failure of the Reapportionment Commission to reach a fair and just decision."

Clark's legal opinion is that half the Senate also must run at large next year.

He added that State Treasurer William J. Scott, the other Republican member of the State Electoral Board, also is asking the court to name Reuben as his counsel.

G. W. "Gus" Hoelscher, who is retiring Jan. 1 as general manager and secretary of the East Side Manufacturers' Association, was honored at a recent dinner party given by his son, William, at the Missouri Athletic Club.

The dinner was planned as a surprise under the guise of a family birthday celebration.

Present were Mr. and Mrs. William F. Hoelscher and daughter, Greta; Mr. and Mrs. A. H. Hoelscher; Mr. and Mrs. Otto R. Hoelscher; Mr. and Mrs. Wilfred F. Hoelscher and son, John, and daughter, Ellen; Edwin Hoelscher, Misses Clara and Ella Hoelscher; Mr. and Mrs. Victor J. Barnhart of Wood River and the honoree and his wife.

Slides were used to illustrate "This is your Life" story which was presented, recalling his experiences, humorous incidents as well as his community service activities during the past 30 years.

Mr. Hoelscher was presented with gold cuff links by his son, who also gave his mother a corsage of orchids. Wilfred Hoelscher then presented his brother with a diamond tie pin as a gift from his brothers and sisters. A bouquet of American Beauty roses was given to Mrs. G. W. Hoelscher.

A sextet of the brothers and sisters then sang a parody on "Clipping Coupons," an original poem dedicated to him was read along with a congratulatory message from his daughter, Mrs. Gordon A. Senoff of Gunnison, Colo., who could not be present.

Mr. Hoelscher also has been honored by several retirement parties, including one at the recent annual meeting of the Illinois Industrial Council in Chicago. He was honored in recognition of his 28 years of outstanding service to the council.

Chapman Seeks New Term As Recorder Of Deeds

James F. Chapman (D. Col.) this week announced his candidacy for re-election as county recorder of deeds. Currently finishing his second term, he cites a new filing system, new recording and copying equipment and "other progressive methods of business-like procedures."

Transactions in the past four years have totaled 151,133, up 31,000 from the previous term, and excess fees have reached \$146,260, compared to \$90,000 in the first term. Married and the father of three, he is a member of the Presbyterian Church and Masonic groups and is secretary-treasurer of the Madison County Democratic Central Committee.

State Reconsiders —Oks Johnson Rd. For MFT Funds

Notification from the state highway department that it had reversed its stand on denying an arterial designation for the portion of Johnson road outside the city limits was received during Monday night's brief session of the Granite City council.

Aldermen also approved a request for \$91,000 motor fuel tax funds to be used for arterial street maintenance during 1964. For this year the city obtained \$112,600 for arterial street maintenance, but the amount was reduced for next year because of motor fuel tax m-ior street improvement projects carried out this year.

The state had last week advised the city that Johnson road, which it had on record as both Johnson road and Johnson avenue, did not qualify for motor fuel tax funds because of insufficient traffic and because Franklin avenue and Lindell hwy. are arterial and could be used as substitute thoroughfares.

Sternberg Advises State
Alderman G. H. Sternberg, chairman of the Street committee, commented with the receipt of the denial that the state apparently was unaware of the situation at the location.

He got in touch with the highway department at Springfield and advised it of the heavy traffic on Johnson road and the location of it. A portion of the north-south section between Fortson road and Edgewood drive is outside the city limits.

With the arterial designation the city plans to properly maintain the thoroughfare. It presently is in Napeok township, and the city has been unsuccessful in getting township officials to turn it over to the city.

In other business, the council also approved amendments to the newly-drafted election code. The amendments had been placed on first reading at the Dec. 16 meeting.

Grandfather, Grandson In Barber Ceremony

Barbers Local 435 in a ceremony conducted along with a recent election meeting inducted Fred McCollegan Jr., 2252 Lee avenue, as a journeyman barber. He was sworn in by his grandfather, Link A. Harlow, a senior member of the union who joined the local in 1915. He operates a shop on 21st street.

The officers re-elected by 45 of the local's 80 barbers meeting at the Labor Temple were Jesse Harris, president; L. D. McBrien, vice-president; Carl Buehler, financial secretary; Harry Hill, recording secretary; and Mr. Harlow, conductor. Robert Roth was elected to a two year term as auditor in the only competitive office. He won over Lester Holinger.

Warriors Defend Title In Mat Tournament

GOOD LUCK, PONDNER! Andy Sullivan (left) and Roger Manuel (center) head coach and assistant coach of the Granite City high school basketball team, exchange well wishes with Bill "Red" Schmitt, the wrestling boss. Both the basketball and wrestling teams are in post-Christmas tournaments.

Granite City Cagers Go After Pontiac Holiday Championship

Twelve Granite City high school basketball players left the Christmas warmth of their homes yesterday and took off for Pontiac, Ill., some 200 miles to the northeast.

In that city's National Guard Armory tonight, the Warriors will join 15 other teams in a chase after the championship of the 53rd annual Pontiac Holiday Tournament.

This year makes the third try for the title by Granite City. In 1961, the Warriors were knocked out early in the tourney, but last year they won the consolation bracket.

Tourney Won By Fountain, Mrs. Boyles

Roger Fountain and Mrs. Grace Boyles won the top prizes of \$83.88 in the fifth annual Jeppes Bowling Sweepstakes. It was announced today.

Fountain wound up with a 733 series including handicap. His average is 170 but he pulled singles of 211, 224 and 234 for a scratch series of 660.

Mrs. Boyles totaled 737 with handicap. Her average is 134 but her three-game combination of 180, 224 and 165 gave her a 578 scratch.

Competition in the tournament, which ran Dec. 9-14, was based on entrants' scores on their regular league night. Winners were determined on a handicap of 70% of the difference between 210 and their actual average.

Prizes fell below the estimated \$100, which winners have received in the past, due to there being only 511 entries this year, as compared with about 800 in previous years. Entry fee was \$1.

Second place in the men's division went to Bill Alters, with a handicap score of 723, and Maude Damotte won second among women with 702. Both received \$31.94.

Third-place winners were Jim Jackson (713) and Marilyn Cholevis (662), who received \$15.95 each.

Awards of \$7.98 went to the bowlers with the high scratch singles and high scratch series. Those winners were Ervin Aufderheide (236), Joe Stroyoff (653-193-224-236), Frances Bishop (197) and Mary Paschoff (229-187-178-163).

Edwardsville Seen As Major Opponent; Five Individual Champions To Return

Five individual champions are slated to return to the third annual holiday wrestling tournament, which will be held tomorrow and Saturday at Granite City high school.

Top Granite City wrestlers among the returnees. They are Paul Lopinski, who won the 95-pound division last year, and Rich Bledsoe, the 103-pound winner. Both have moved up a notch this year—Lopinski to 103 pounds and Bledsoe to 112 pounds.

Two of the remaining three are members of the East St. Louis team—Reggie Coates, who won at 138 pounds, and Leroy Redder, who took the heavy-weight title. Coates will be at 145 pounds this time.

The fifth defense champion is Julian Gabriel of Springfield, LaPlante, 154-pound winner. He will wrestle at the same weight in this year's tourney.

Warriors Seek Fifth
Granite City's Warriors have won the two previous tournaments here and will be going for their fifth consecutive holiday crown. They won in 1959 and 1960 at the now-defunct tournament at Normal.

The Warriors have had little trouble winning on their home mats. In 1961, they scored 103 points to Sterling's 76, LaPlante's 51 and Leander Eshenbarger's 50.

Last year, the team totaled 127, followed by East St. Louis with 73, Jacksonville 64 and Edwardsville 61.

Nine schools will enter 12-man teams in the tournament. They are Granite City, Belleville, Edwardsville, Jacksonville, Lincoln, Madison, St. Louis, Springfield, Quincy and Sterling.

With 108 entries, more than 100 teams will be held in the double-elimination tourney. Three mats will be kept busy simultaneously in the GCHS gym.

Weights will be from 9 a.m. to 1 p.m. tomorrow, with matches beginning at 2 p.m. Sessions also will be held at 7:30 p.m. tomorrow and 1 p.m. and 7:30 p.m. Saturday. Admission is 50 cents and 25 cents per session.

Seven Warriors Undefeated
Seven regulars on the Granite City team are undefeated this season and at least six of those will wrestle in the tournament. The 112-pound division is a toss-up for the Warriors, since both Steve Cavanaugh and Bledsoe are undefeated at that weight.

Following are Granite City's probable entries, their won-loss records and the schools of the wrestlers they meet in the first two rounds:

95 pounds—Mike Reynolds (5-2) vs. LaPlante and East St. Louis; 103—Paul Lopinski (5-0-1) vs. Wood River and LaPlante; 112—Cavanaugh (3-0) or Bledsoe (3-0) vs. East St. Louis and Belleville; 138—Dan King (6-0) vs. Jacksonville and Sterling; 154—Mike Nichols (13-7) vs. Quincy and Edwardsville; 170—Jim Valdez (3-0) vs. Edwardsville and Quincy.

138—Jim Valdez (3-0) vs. Edwardsville and Quincy; 154—Bourbon Starke (2-2) vs. Jacksonville and second round with 165—Ernie Kern (4-2) vs. Edwardsville and Bunker Hill; 180—Gary Forsee (4-1-1) vs. Wood River and East St. Louis; heavyweights will be in the first round.

Old Sport
Croquet dates back to 17th century France. The team will be staying at the Fleeta Motel.

SU TO Patriots
Houston Antwine, 250-pound defensive tackle for the Boston Patriots, played his college football at Southern Illinois University, Carbondale.

Only Loss To No. 1 Team
Sullivan, in his sixth year, is leader of the Warriors' basketball squads. He has directed his squad to five wins in six outings so far, with the only loss coming from Collinsville, the state's top-ranked prep team.

Including the current campaign, Sullivan has a 76-62 record at Granite City. With No. 100 a total of 24 victories in the distance, he has an excellent chance of hitting that mark sometime next season.

"If it hadn't been for that one season," Sullivan grinned after contemplating his past records. That season was 1961-62, when the Warriors won their first and last 21. He has happier memories of 1959-60, when the team had a 26-6 record, his best here.

High School League
Tournament Continues
Play in the 10-team High School League holiday basketball tourney continues with games tonight at the Community Center.

The schedule, 6:30 p.m., Ogle's Confectionery vs. Holland Asphalt; 7:30 p.m., YMCA Teen Town vs. Tri-Way Village; St. Bartholomew's winner of this afternoon; 8:30 p.m., Lincoln Place vs. Triple A; 9:30 p.m., Delmar Shoppe vs. winner of Twilight Optimists-Saints game of this afternoon.

The tournament will continue tomorrow night with four games and Saturday with two games in the afternoon and two that night.

Colie Heds Redbirds
James E. Colie, former basketball coach at Mendon College in Lebanon, Ill., holds the same position at Illinois State Normal University.

Iowa Rebound Record
Nelson Gentry, former Rockford, Ill., prepster, holds the University of Iowa rebound record of 23 against Michigan on Jan. 4, 1958.

Lilley, Bell, Essington, Dixon Top Local Basketball Teams In Scoring

Cecil Bell of Madison and Granite City's Larry Lilley are setting a strong pace in scoring for the four local high school basketball teams. Unofficial Press-Record statistics showed today.

Bell, a 6-2 senior, has scored 145 points in the Warriors' seven games for an even 20-point average. The Warriors' Lilley, also a 6-2 senior, is close behind with 119 points in six games for a 19.8 average.

Both players have substantial leads over their teammates. The scoring is closer among individuals on the Venice and Lincoln of Venice teams.

Rich Essington, 5-9 freshman, tops the Venice Red Devils with a 13.5 average, followed closely by four teammates. Calvin Dixon, the Lincoln Rams' 5-10 senior, is averaging 11.8 points, followed by 6-1 sophomore Richard Jackson's even 10-point pace.

Basketball Trouble Is Spelled With A 'C'

It starts with a "C" ends with an "e" and brings lots and lots of trouble. Catastrophe? No, Calamity? Oh, come now! The shabbier, caboose, caboose, cackle, cackle, cackle, cackle! No, no, no—put down that dictionary. It starts with a capital "C" and has to do with basketball.

Oh, sure, Collinsville. That name has meant problems for many years. Included in that number is Madison's Eric McClanahan.

And once again, in the 19th annual East St. Louis Holiday Tournament which opens tonight, Collinsville is expected to land in the way of McClanahan's Trojans.

"Seems like we're always in the same bracket," says Collinsville's coach said, except the one year we wanted to be.

That one year was 1961, when McClanahan's team plays Peishans of Springfield, in the 7 o'clock contest and Virgil Fletcher's Kahoks meet Litchfield at 8:30 in tonight's opening-round contest.

Other opening-round games were scheduled this afternoon, with East St. Louis' (seeded fourth) meeting Waterloo and Springfield (seeded third) meeting Lincoln of East St. Louis.

A Madison-Collinsville game would bring together two of Southwest Illinois' brightest stars, Cecil Bell and Roger Bohmstedt. Madison's Bell is averaging 20 points a game and was the area's top scorer last season. Bohmstedt is an all-star and is averaging well over 30 points per game.

McClanahan said his starters for tonight would be drawn from Bell, Dale Turner, Gary Skinner, John Summers, Hayes Wright and Paul Lusk.

Flyers Low Team
The most East St. Louisians have the poorest record among the entries with three wins and five defeats. The others are all 500 or over.

Waterloo is 3-2, Lincoln 3-2, Granite 3-0, Collinsville 7-0 and Litchfield 3-2. Peishans has a 4-1 record.

The Springfield club downed Quincey 56-50, Carlinville 54-53, Staunton 63-57 and Winchester 73-53 but lost to Nokanok 55-47.

That's right! This is the 13th month on our calendar! That time in between Christmas and New Year when we try to straighten out our store and move out all the odds and ends before taking our formal end-of-the-year inventory. This is the time when, if we've had a good year—and this has been one of the best—we can afford to sell merchandise at cost and even below cost in order to unload it fast. We've reached our profit quota for the year. Most of the rest would go to Uncle Sam in taxes anyway, so we're cutting our profit out of the price and making this 13th month your lucky month to buy at FREDMAN BROS.

on the taxpayers 100% for every dollar spent.

"I wish to continue to serve as county auditor for another term and if nominated and elected, I will continue to foster and promote good government and sound management for all the taxpayers of Madison county."

Social Security Facts For Household Workers

Employment of domestics and the responsibility of reporting their earnings by employers is one of the least understood and most abused phases of the social security law, Ralph Brasher, district manager of the East St. Louis office, said today.

Household workers are classified as cooks, maids, cleaning women, gardeners, and other persons performing household work in or about a private home. This includes baby sitters — whether adult or teenage — who go to a private home regularly to care for children, Brasher said.

He also said not all household workers are covered by the law.

quarter. Failure to do so may cause an assessment by Internal Revenue of penalty and interest on the gross earnings of the subject employees regardless of the reasons for failure to report these covered earnings.

Brasher advised anyone who is in doubt about responsibility for reporting the earnings of a household worker to contact the local social security office, 435 Missouri avenue, East St. Louis.

(Continued from Page 1.)

right hip, abdomen and side, she was admitted to St. Elizabeth Hospital, where her condition today is good.

The woman was walking south across the intersection and Adam Turner, 46, of 1221 Logan street was driving north on Weaver and making a right turn onto Calhoun.

Two Injured On Viaduct
Two injuries resulted from a three-car crash at the Broad viaduct in Venice at 2:10 p.m. Tuesday. They were: E. Keith Kelly, 25, of 1230 Robin street, Venice, knee abrasions, and Duanna Kelly, 22, of the same address, a bump on the head.

Police were told William Davis, 117 Garner road, Venice, stopped for traffic. Kelly braked his car but could not stop, and its front hit the rear bumper of the Davis machine. Louis D. Outhouse, 1922 Fifth street, East Madison, then tried to bring his car to a halt but it struck the rear of the Kelly auto. All were eastbound.

Davis was arrested for having no driving license and was released on \$15 cash bond. The Kelly car was towed from the scene.

Four-Auto Viaduct Crash
Two persons were hurt as four autos collided on the top of the Broadway viaduct at 2:30 p.m. Tuesday.

Three of the cars had halted when the front of the auto of Vesta Morrison, 2448 Grand avenue, collided with the rear of the car of Mary Hartzel, 19, of 2129

Woodlawn avenue. The Hartzel vehicle was knocked against the auto of Wilbur D. Atkins, St. Louis, and the Atkins machine was pushed against the rear of the auto of Viola Brooks, St. Louis.

Mary Hartzel was released from St. Elizabeth Hospital after receiving x-rays and treatment for neck and shoulder injuries. Patricia Hewitt, 27, of 1822 Edwardsville road, a passenger in one of the autos, also sustained minor injuries. Venice police were informed.

Pair Hospitalized
Two men were hospitalized after their eastbound auto failed to turn at the Venice end of the McKelvey bridge and struck a gate at the start of the Venice railroad highline at 6 a.m. Wednesday.

The driver, Luther Potts, 35, St. Louis, suffered forehead cuts and a neck injury. His passenger, Robert J. Ward, 19, St. Louis, received a possible left shoulder fracture.

Both declined immediate treatment but were admitted to St. Elizabeth Hospital after their injuries began to pain them. They were taken to a report of the accident at the Venice police station. X-rays were taken, and both are in good condition today.

Venice police filed a criminal destruction charge against Potts. The auto was damaged about the front end and was towed to a garage.

Woman Falls From Truck
A 43-year-old St. Louisan, Verle Moore, seated in the right front of a pickup truck fell out and onto the pavement when the door came open as the vehicle turned from Edwardsville road onto McClellan avenue at 5:30 p.m. Wednesday.

She suffered abrasions over most of her body and was bleeding. Rushed by ambulance to St. Elizabeth Hospital for treatment and x-rays, she was admitted and is in good condition today.

Passers-by said the truck had had a large number of occupants, most of them children. The driver was Fred J. Jones, 29, St. Louis.

Mrs. Mildred Rippe, 1308 Meridian street, was injured about the left rear leg and left ribs when a pickup truck fell out and onto the pavement when the door came open as the vehicle turned from Edwardsville road onto McClellan avenue at 5:30 p.m. Wednesday.

She suffered abrasions over most of her body and was bleeding. Rushed by ambulance to St. Elizabeth Hospital for treatment and x-rays, she was admitted and is in good condition today.

Wright, a 14-year-old boy who resides at 514 Slough road, Venice.

The crash occurred on Klein street near the Lee Wright Homes when the Blina car halted for traffic. Boys were nearby bound. The youthful motorist was arrested for unlicensed driving and was released on a property bond to appear Saturday.

Child In Auto Injured
A child, seven-year-old Emily Jackson, 2463 East 28th street, suffered minor injuries about 5:25 p.m. Tuesday when a passenger in an auto involved in a collision on Madison avenue near Niedringhaus avenue.

Police said the youngster was riding in an auto driven by Jack Yates, 23, of 2831 East 25th street, who was going north and slowing down for traffic. The other auto, also northbound, was being driven by Richard Hastings, 47, of 2338 Cleveland blvd.

Key pavement in the 2400 block of Madison avenue was blamed Christmas eve for a traffic accident in which Mrs. Evelyn Reinhardt, 54, of 2916 Idaho avenue, suffered a cut to her lower lip and chest injuries. She was given emergency treatment at St. Elizabeth Hospital.

Police said Mrs. Reinhardt was driving south when her auto went out of control of the ice and crashed into a parked auto belonging to C. L. Givens, 2747 Washington avenue.

The Givens auto was knocked over the sidewalk at 2411 Madison avenue and into a concrete retaining wall. It was damaged at the left rear and right front. There was damage to the right front of the Reinhardt auto.

Mrs. Ann Garcia, 45, of 1406 State street, suffered injury to her nose and face about 5:30 p.m. Tuesday in a two-car collision in front of her home. Police said she was driving south and making a left turn, and the other car was being driven north by Charles Austria, 53, of 1425 Third street, Madison.

Youths Fined For Having Open Bottles In Auto
Madison Police Magistrate John Bridick today levied \$25 disorderly conduct fines and \$5 costs against three St. Louisans, Bobby Joe Baker, 17, Harry Dale Werremeyer, also 17, and Christopher Dennis Schenk, 18.
